

THREE / TWO / ONE / **GO!**

Dynamic mannequins in motion!

What started with a small collection of a few running poses, grew into the biggest sport mannequins collection in the world! Our design team keeps on developing new poses. Some exercise to keep fit... The choice for the charming satin graphite grey colour makes flashy sport clothes stand out and emphasizes the curves of the muscles without need to 'over muscle' the mannequins. The semi abstract head creates a contemporary look that shows a strong and stylish attitude and facilitates the display of head accessories. Completed with a full range of complementary displays, you will definitely find what you are looking for!

Customizing this collection is also possible, feel free to contact us for other style of heads, colours and more!
